Memorandum

To: State agencies with rule making authority

From: Richard Arnold

Subject: Public Chapter Number 741

Date: April 21, 2008

Public Chapter Number 741 will take effect July 1, 2008.

This chapter requires all state agencies that file rules with the Secretary of State to file one copy in "redline" form for the purposes of review by the standing committee(s) of the General Assembly. We currently forward one copy of your submittal to the Government Operations committee. Your total number of submissions will not change; we will require four copies of all filings. The only change is one of these four shall be in redline form.

We will require this beginning July 1 on all rule filings. We will forward this "redline" copy to the Government Operations Committee monthly. The Secretary of State will not maintain a copy of the redline form. We are strictly a conduit between your agency and the Government Operations Committee.

Please review Public Chapter Number 741 of the 105th General Assembly for further explanation. Should you have any questions, please feel free to contact me at the above number or by email richard.arnold@state.tn.us

Thank you for your attention.
